

The Tall Buildings Fire Safety Network Group

The Tall Buildings Fire Safety Networking Group

Mission Statement:

“To collectively advance the understanding of fire risk management in tall buildings, during design, construction, occupation and firefighting operations. This will be achieved by group scrutiny of available research data, relevant innovative products and development of a guidance document for fire safety in tall buildings”.

Terms of Reference:

1. Membership of the group will be formed primarily by staff representing owner/management of tall buildings;
2. Membership of the group is also open to key stakeholders involved in fire safety within tall buildings;
3. The group will meet twice a year at suitable venues convenient to the membership;
4. The group will be administered by Horizonscan (organisation of meetings speakers, minutes, etc);
5. Membership of the group is voluntary, and any expenses incurred are down to individual members;
